

Moltas Hultin

0705639170 | moltas@hultin.io | hultin.io | Gothenburg, Sweden

PROFILE

Masters student with industry and hobby experience in backend and full-stack development, interested in system design and solving real world problems with scaleable and maintainable solutions.

EXPERIENCE

Centiro Solutions AB

Jan. 2026 – Present

Master Thesis Student

Borås

- Conducting a research study on the structured use of LLM-based coding tools within development workflows.
- Evaluating how existing AI tools can be combined with established software engineering practices to improve maintainability and code structure while increasing development velocity.

Ericsson AB

Sep. 2025 – Dec. 2025

Software Engineering Intern

Gothenburg

- Designed and built a proof-of-concept data processing pipeline in Python to analyze trace files generated by telecom hardware.
- Integrated the pipeline with external services, including S3 and OpenSearch, to enable scalable storage and efficient data analysis.

Centiro Solutions AB

Summers 2022 – 2025

Software Engineering Intern

Borås

- Returned for multiple summers based on strong performance
- Contributed to multiple proof-of-concept projects, primarily developing RESTful APIs using ASP.NET and MongoDB.
- Implemented backend business logic based on customer requirements and technical specifications.
- Investigated and resolved customer-reported issues by analyzing application behavior and troubleshooting in SQL and NoSQL databases.
- Wrote and maintained unit and integration tests to ensure code quality and reliable test coverage.
- Collaborated in an Agile/Scrum environment, participating in sprint planning, stand-ups, and retrospectives.

EDUCATION

Chalmers University of Technology

Aug. 2024 – June 2026

Master of Science in Software Engineering and Technologies

Gothenburg

Chalmers University of Technology

Aug. 2020 – June 2024

Bachelor of Science in Computer Science and Engineering

Gothenburg

SKILLS

Languages: C#, Python, Java, JavaScript, SQL

Technologies: ASP.NET Core, .NET, React, Next.js, Angular, MongoDB, PostgreSQL, MSSQL, Docker, Kubernetes, Git

OS: Windows, Linux, MacOS

EXTRACURRICULARS

Chalmers Cortège Committé – Event manager

Jan. 2023 – Dec. 2023, Gothenburg

Worked approximately 75 hours per week during the spring to organize Gothenburgs largest student parade, managing bar operations and staff serving approximately 600 students daily over a 10-day build period.
